Hey, Jin Lingfen.
.....
What?

Why is it...
when I'm with you, I act so natural.

HA?

But, when I'm with him...
I get so very nervous and feel like I can't breathe?

What?
Who are you referring to as [him]?
ANNOYED

Sometimes, he would care about me a lot. And my heart would skip a beat...
When he treats me nicely, I would think...

That he's doing it because he feels sorry for me. Because I am very pitiful...
YOU, IDIOT!
OUCH!
WHY ARE YOU SUDDENLY-
Can you not be so negative?!
DON'T TELL ME - DO YOU THINK THAT I ALSO ONLY GOT CLOSE TO YOU BECAUSE I PITY YOU?

Where did the girl who ate olive leaves and enjoyed herself go?
WHAT DOES THAT HAVE TO DO WITH ANY -THING...?

Don't assume things about other people.
